

T.C.'s Health Hunt

MISSION:

'Get Physical!'

HUNT HIGHLIGHTS

T.C.'s Health Hunt is a **FREE**, 60-minute self-guided store tour:

- Adult chaperones read Clue Cards to guide children on the interactive learning experience.
- The group concludes the hunt at Take Care ClinicSM, reviews the "Crack the Case" Answer Key and receives acknowledgement for their great work! Answers are recorded on the Secret Agent Map provided.
- After the hunt, adult chaperones can enter the group's highest score online to win an In-School Health & Wellness Assembly* featuring a Take Care Clinic Health Provider!

IMPORTANT:

1 chaperone is required for every 5 students to allow multiple teams to hunt the store simultaneously. Max 30 students.

TOUR STOP

Spread It On

When you use this on your skin, you can play outside in the sun safely.

Stick It On

We put these over scrapes and cuts to keep germs out.

Cool Shades

These sit nicely on your nose and come in many different styles and sizes.

Pour It On

You feel thirsty when your body needs this.

Keep It Clean

We spray this onto scrapes and cuts to kill germs and reduce the chance for infection.

Get Physical!

What do you get from a healthcare provider once a year to make sure you're healthy?
