The Weis logo consists of the word "weis" in a white, lowercase, sans-serif font, centered within a solid red rectangular background.

Two great experiences to choose from:

Explorers | Grades PreK - 5th

The many sights, sounds, scents, textures and flavors of the supermarket come to life in this hands-on journey around our store. Children will be treated to a behind-the-scenes look of the various departments in the supermarket while participating in educational activities that stimulate their senses and curiosity.

Mystery Tours | Grades 2nd - 4th

This engaging tour was developed by the Weis Dietitians to teach children the benefits of making healthy food choices and being physically active. Participants literally put on their detective hats as they review the facts of the case, search for clues, and solve a mystery! By reading nutrition labels and sampling new foods, students will uncover a lifetime of healthy eating habits.

Field trips last 60-90 minutes (depending on your students age and group size) and are available for groups of 6 - 25 students.
