

ComEd Smart Energy Hub

Permission Slip

Dear Teacher:

To facilitate your field trip to the Smart Energy Hub at the Chicago or Rockford Training Center, one week prior to your field trip, you are instructed to reproduce the Consent Form and pass it out to students attending the field trip so that their parent(s) or legal guardian(s) can sign and return it. **You must bring all signed Consent Forms with you to the ComEd Smart Energy Hub.** When you call to confirm your field trip, be prepared to let the field trip leader know if there are any students in your group who should not be included in potential photographs, films or recordings for promotional displays, media coverage or social media.

Thank You.

Dear Parent:

On _____ we plan to take a field trip to the ComEd Smart Energy Hub.

(Date/Time)

Smart Energy Hubs are located in the Bridgeport neighborhood of Chicago and in Rockford, IL. The Smart Energy Hubs allow students to explore the Smart Grid and Smart Technologies in an hands-on environment while also learning to manage energy use.

If your child has any physical limitations, please list them below:

During the field trip, your child may be photographed, filmed and/or recorded. During or after the field trip, your child may be invited to draw a picture about what your child has learned. Without compensation to you or your child, these productions or drawings may be displayed in the Smart Energy Hubs used for Commonwealth Edison Company (ComEd) promotional purposes, printed on envelopes sent to customers scheduled to receive smart meters, and/or used in local media coverage or ComEd social media.

Your signature below indicates your consent for your child and their drawings to be included in these productions. Your signature also unconditionally and forever releases ComEd, its owners, affiliates, employees, officers, directors, agents, licensees, and assigns from any injury or damages that your child or you may suffer while on or as a result of your child being on the premises of either of the ComEd Smart Energy Hubs.

_____ has my permission to participate in the
(Student's Name) ComEd Smart Energy Hub field trip.
